**EIGHTY-ONE PART-SONGS AND CHORUSES;** in progressive order for the Cultivation of Part-Singing. With Instructions for forming and improving Male Choral Singers. By NAGELI and PFEIFFER. Translated from the German, by SABILLA NOVELLO.

This Volume consists of Eighty-one Part-Songs and Choruses for Male Voices, adapted to a variety of patriotic, moral, and elevating sentiments, in the English language, closely imitated, by SABILLA NOVELLO, from the original German poems by the celebrated authors whose names are appended to each piece.

The care with which the order of progressive difficulty has been observed by Nageli and Pfeiffer, has long made this work a text-book in all German and Swiss singing schools; and the present English edition, it is believed, will supply a want long felt by those who know its value as a musical hand-book for adult male singing schools, but who were prevented from using it by its former German text.

The Eighty-one pieces of Music are preceded by very ample instructions for the proper and systematic Cultivation of Part-Singing.

J. Alfred Novello, London and New York.
